PROFILE INFO

I'm an outgoing and driven individual, always on the move and working hard to achieve my goals. I'm passionate about combining my love for the outdoors with my work, constantly seeking ways to merge creativity with code. Starting with design, I quickly discovered my passion for UX/UI and front-end development, diving deep into learning and applying these skills in real-world projects. Now, I'm focused on expanding my horizons and pushing my boundaries even further, always ready for the next challenge and eager to keep growing.

EXPERIENCE

FREELANCE FRONT - END DEVELOPER   2024 - Now

As a freelance Front-End Developer, I design and develop responsive, user-friendly websites and applications. I specialize in HTML, CSS, JavaScript, and frameworks like React to create engaging, interactive user interfaces.

WEBSITE ADMINISTRATOR   2020 - 2024

As a website administrator, I managed content, including creating, editing, and deleting pages, blog posts, and articles. I ensured that multimedia is updated and content is optimized for SEO to improve visibility in search engines. I troubleshot technical issues, resolved errors, and handled site crashes. Additionally, I did monitor performance, applied updates, and maintained the security of the website.
